WORK EXPERIENCE

Interpretation and Translations:

ITC/EASO(European Asylum Support Office) – German delegations 2020 – 2021 (6 months)
I was interpreting for the German delegations. These officers interviewed Refugees who were considered to be sent to Germany and I was interpreting in interviews and also interpreting for the administration part of this team.

ITC (Interpreti &Traduttori in Cooperativa) Lesvos - 2020
Working with ITC as an interpreter in Languages; Farsi/Dari/English. Interpreting and translating for EASO in the refugee camp – first reception. Duties: giving information regarding refugee rights, giving notification in regards to the outcome of their applications, guidance as well as working with vulnerable sections of the camp.

ITC/EASO - relocation team   2020
I was interpreting in interviews for the applicants who were considered to be relocated to other countries in Europe. I was also involved in interpreting for a group of refugees where the EASO officer was giving information and explaining the procedure of the relocation.

Education:

Code Your Future Full stack Software Development Course 2023-2024.Covered HTML,CSS JavaScript , React , nodejs, postgreSQL, github, Git Version Control, Cloud

High school diploma, Kabul, Afghanistan   2017
Completed year 12 of secondary education including school subjects. In my secondary school, I specialized in Mechanics *(cars construction, repairing, inspection, testing, maintenance etc)*.
